

Easter Update 2024

Easter Greetings from Louth Churches for Refugees – we wish you every blessing during the Easter season.

The AGM of Louth Churches for Refugees took place last month – the meeting received an update on the work of the charity, including our financial report and accounts. Also on the agenda was the appointment of trustees. Ros Malyon was reappointed and we were also delighted to welcome Bryan Utteridge who was appointed as a trustee. Earlier in the year Rev David Fidler had stepped down from his trusteeship and the AGM received a farewell message from David – we send him our renewed thanks for his many contributions to the activities of the charity – as trustee, safeguarding officer and lead sponsor – over the years.

The AGM agreed that we should re-circulate information about the opportunity for regular financial giving towards our work. We are very grateful to those who commit to giving on a monthly basis by standing order – we suggest £5 per month or whatever figure you may be able to afford. Our bank details are as follows:

Thank you for whatever support you may feel able to give.

Refugee Week is the world's largest festival celebrating the contributions, creativity and resilience of refugees and people seeking sanctuary. Established in 1998 in the UK, this annual festival aligns with World Refugee Day, celebrated globally on 20 June. The theme for Refugee Week 2024 is "Our Home". From the places we gather to share meals to our collective home, planet earth: everyone is invited to celebrate what Our Home means to them.

Refugee Week 2024 runs from **17-23 June 2024**. Ahead of this, we are drawing together a collection of prayer resources for use during the week – whether by individuals or in the context of church worship. We'll be publishing these resources on our website nearer the time and will send an email with further details. Perhaps you might like to consider now how you could use this material in due course.

Thank you for your interest in and support for Louth Churches for Refugees. Our website has further information and we post regularly on Facebook. You can get in touch via the contact form on our website.
